

We had so much fun last year that we decided to do it again...and You're Invited!

Join us for a day of fun, food, and innovation as we welcome the **Microsoft Across America Truck** back to Vancouver, Washington. Come and spend some time with the team at Creative Computer Solutions, Inc. to see how we can work together with the latest Microsoft technology solutions to help resolve some of your company's toughest technological challenges. We have asked a selected number of additional partners to join us and show how their product offerings compliment Microsoft technologies and can help your company reach some of your greatest opportunities. In conjunction with this fun filled event, join us at 12:00pm for a *Ribbon Cutting* to help us commemorate our 10th Year Anniversary. Space is limited so please register today!
